- **CWIDA, CCNY**, staff or counsel may request additional information or clarification, including financial projections.

STATEMENT OF NEED

15.	<p>Provide a summary of the need for the grant (e.g. how you have been negatively affected by the pandemic) and including all PPE materials and equipment the small business or non-profit entity will be purchasing and how they will be used:</p> <p>We have seen over the weeks our sources of food dwindle as the need escalates. Unfortunately, due to fear-based shopping and hoarding of food, the available food from food rescue has dropped significantly. In order to meet increasing demand for food due to unemployment, income loss or sickness as well as to meet the already high demand for food, Bread of Life sought to rally the surrounding community. Neighborhood support was initially strong, but as the pandemic has dragged on and people are eager to move on with their lives, even that support has dwindled to a minimum while the demand for food has remained at an all-time high. Also, several pantries and soup kitchens in our area have remained closed due to the spread of the COVID-19, which has increased the demand for our help. Bread of Life hosts an onsite food pantry. Typically, we feed approximately 800 individuals at our onsite food pantry.</p> <p>With daily food rescue and distribution, we have a dire need for gloves, masks, and disinfectants. We take very seriously our obligation to keep both our volunteers and food recipients as safe as possible. With several hundred volunteers in our database and thousands of clients we are in great financial need to help fund all the PPE needed on a daily basis. We are in need of purchasing quality PPE (masks, disinfectants and gloves) during this pandemic to last us well into 2021.</p>
16.	<p>Provide a summary of all grants and/or loans received during the pandemic (e.g. PPP, EIDL, other loans/grants).
