The CWIDA awards grants to small businesses and not-for-profit corporations in an amount not to exceed \$10,000, the proceeds of which must be used for the purpose of acquiring personal protective equipment or installing equipment necessary to prevent the spread of COVID-19. To apply, please complete and submit the application below as well as the Personal Financial Statement (if you are a small business)

We look forward to working with you to evaluate your business/not-for-profit for possible financial assistance.

Please note the following:

- **CWIDA, CCNY**, staff or counsel may request additional information or clarification, including financial projections.
- **PLEASE NOTE THAT APPLYING FOR A GRANT DOES NOT MEAN YOU WILL RECEIVE ONE AND THAT ALL AWARDS MUST BE APPROVED BY THE BOARD OF DIRECTORS OF THE COUNTY OF WESTCHESTER INDUSTRIAL DEVELOPMENT AGENCY.**

A full-time equivalent is defined as follows: (i) a full-time employee on the Applicant's payroll, who has worked for the Applicant for a minimum of 35 hours per week for not less than four consecutive weeks and who is entitled to receive the usual and customary fringe benefits extended by Applicant to other employees with comparable rank and duties; or (ii) two or more part-time employees on Applicant's payroll, who have worked for Applicant for a combined minimum of 35 hours per week for not less than four consecutive weeks. STATEMENT OF NEED

<p>15.</p>	<p>Provide a summary of the need for the grant (e.g. how you have been negatively affected by the pandemic) and including all PPE materials and equipment the small business or non-profit entity will be purchasing and how they will be used:</p> <p>Our organization is designated as a dance/fitness school which has been listed as a high-risk indoor activity so we could not reopen until August 17 with approval from the County Health Department. We are located in a basement which is below grade and the configuration of the HVAC system does not properly circulate air. Our interior studio has no windows and the air is only pushed in and not drawn out. To re-open safely we will need to install HEPA Air Purifiers into each studio (2), the office, staff room and dressing rooms. There are 15 minute windows between all classes for sanitizing / cleaning. There will also be additional cleaning of common spaces, lobby, bathrooms, etc. while classes are in session. Due to the Phase 4 Re-Opening Plans for Fitness we will open our studios at 33% capacity, we are planning a Hybrid Model to accommodate all our students. A third of the enrolled students will be dancing in the studio while the others will be taking the class virtually through Zoom. We need to invest in good laptops (2) for our teachers to use for their classes while teaching in the Hybrid Model. All additional PPE materials and equipment will be used daily and as recommended by the County, State and CDC to keep our staff, faculty and families safe. Everyones temperature will be taken upon entry to the building and masks must always worn. Hand sanitizing stations will be provided throughout the building and studios for proper hygiene.</p>
<p>16.</p>	<p>Provide a summary of all grants and/or loans received during the pandemic (e.g. PPP, EIDL, other loans/grants). If you applied for, but were not awarded a grant or loan, please identify which programs you applied for and the reasons you were declined.</p> <p>Steffi Nossen Dance Foundation applied for and was granted a Paycheck Protection Program Loan from the Small Business Association. The \$90,160.00 loan was awarded on May 4, 2020. The Foundation was able to continue to pay in full all salaries and contracted teaching staff and rent to our landlord, the Westchester Music Conservatory. When guidelines become available for full forgiveness for the PPP Loan the Foundation will apply; all funds were used as directed for salaries and rent. In general, we have not been eligible to apply for any additional funding opportunities that have been offered by the County, State or Cultural Organizations in direct response to the pandemic. We submitted an application for a \$10,000 grant from the CARES Arts Organization Relief Grants program administered by the Mid-Atlantic Arts Foundation. Awards will be announced in September 2020.</p>
