The CWIDA awards grants to small businesses and not-for-profit corporations in an amount not to exceed \$10,000, the proceeds of which must be used for the purpose of acquiring personal protective equipment or installing equipment necessary to prevent the spread of COVID-19. We look forward to working with you to evaluate your business/not-for-profit for possible financial assistance.

Please note the following:

- **CWIDA, CCNY**, staff or counsel may request additional information or clarification, including financial projections.
- **PLEASE NOTE THAT APPLYING FOR A GRANT DOES NOT MEAN YOU WILL RECEIVE ONE AND THAT ALL AWARDS MUST BE APPROVED BY THE BOARD OF DIRECTORS OF THE COUNTY OF WESTCHESTER INDUSTRIAL DEVELOPMENT AGENCY.**

STATEMENT OF NEED

<p>15.</p>	<p>Provide a summary of the need for the grant (e.g. how you have been negatively affected by the pandemic) and including all PPE materials and equipment the small business or non-profit entity will be purchasing and how they will be used:</p> <p>The pandemic has had a negative impact on our ability to bring in revenue and run our in-person volunteer programs. Volunteer New York! mobilizes volunteers in two ways: managed programs and the online database where we match people to opportunities. Our customized corporate days of service with local businesses, RSVP program for volunteers 55+, RISE program for individuals with IDD, in school programs, and other in-person volunteering came to a complete halt. These corporate days of service are one of our key revenue streams comprising approximately 25% of our annual budget. Nearly half of these projects typically occur in the spring and summer and they were all canceled. This left a big gap in our budget. We need additional PPE and equipment to restart our in-person volunteer programs safely. Grant funding is requested for air filters/purifiers, hand sanitizer, sanitizer dispensers, gloves, tissues, and disinfecting wipes. The air filters/purifiers are needed to clean the air and keep staff and volunteers safe in the office, which is a small, mostly open concept space. Hand sanitizer and gloves will be available for staff and volunteers to eliminate the spread of COVID-19 through surface contamination. Volunteers in the RSVP and RISE programs, who often volunteer in our office, are in high risk categories; we need proper PPE for their use, helping to protect both their physical and mental health, as volunteering is an important way to prevent loneliness and isolation.</p>
<p>16.</p>	<p>Provide a summary of all grants and/or loans received during the pandemic (e.g. PPP, EIDL, other loans/grants). If you applied for, but were not awarded a grant or loan, please identify which programs you applied for and the reasons you were declined.</p> <p>PPP loan, \$186,357--received City of New Rochelle, \$60,894--contract to manage community engagement as it relates to COVID-19 response. Contract runs March 18-December 31. Westchester Community Foundation, \$8500--received to help cover COVID-19 related technology expenses. Entergy,\$5,000--received in support of volunteer activation to respond to the pandemic. Points of Light grant, \$10,000--did not receive. Grants were given to affiliates across the nation and our score was 2 points less than the scores of the awardees. Points of Light grant, \$10,000--did not receive.
